It shall at the beginning of the session adopt a programme of work indicating, if possible, a target date for the conclusion of its work, the approximate dates of consideration of items and the number of meetings to be allocated to each item.

Establishment of working groups and holding of consultations

7. Regarding agenda item 85, entitled "The scope and application of the principle of universal jurisdiction", the General Assembly, by its resolution 71/149, decided that the Sixth Committee should continue its consideration of the item, without prejudice to the consideration of the topic and related issues in other forums of the United Nations, and for that purpose decided to establish, at its seventy-second session, a working group of the Sixth Committee to continue to undertake a thorough discussion of the scope and application of universal jurisdiction. In this regard, three meetings, to be held on 12, 13 and 18 October, have been suggested for that purpose.

8. Concerning agenda item 109, entitled "Measures to eliminate international terrorism", the General Assembly, by its resolution 71/151, decided to recommend that the Sixth Committee, at the seventy-second session of the Assembly, establish a working group with a view to finalizing the process on the draft comprehensive convention on international terrorism as well as discussions on the item included in its agenda by Assembly resolution 54/110 concerning the question of convening a high-level conference under the auspices of the United Nations. In this light, three meetings, to be held on 16, 20 and 31 October, have been suggested for that purpose.

9. The consideration of the reports of the working groups in plenary is scheduled on 3 November. It has also been suggested to hold informal consultations regarding agenda item 146, entitled "Administration of justice at the United Nations", on 11 October.

10. In view of the limited conference services available to the Sixth Committee (see para. 12 below), any meetings for the working groups or for informal consultations will have to be accommodated within the overall meetings allocated to the Committee.

Deadline for the submission of draft resolutions with financial implications

11. According to rule 153 of the rules of procedure of the General Assembly, "no resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General". It is therefore imperative that the Sixth Committee allow sufficient time for the preparation of estimates of expenditure by the Secretariat and for their consideration by the Advisory Committee on

Administrative and Budgetary Questions and the Fifth Committee. Since 10 November has been fixed as the concluding date for the work of the Sixth Committee (see para. 6 above), 27 October would have to be considered the mandatory deadline for submission to the Fifth Committee of draft resolutions with financial implications, except for draft resolutions concerning items to be considered after that date. When submitting such proposals, delegations may also wish to bear in mind that, in most cases, a period of more than 48 hours is required for the Secretary-General to review the programme budget implications of proposals.

Conference resources available

12. The available conference facilities will, in principle, enable the Committee to hold no more than 10 plenary meetings per week. Morning meetings will be held from 10 a.m. to 1 p.m. and afternoon meetings from 3 p.m. to 6 p.m.

13. In order to avoid difficulties in the organization of services for the meetings of regional groups of the Committee, it is suggested that all requests for such meetings be channelled to the Meetings Management Section of the Department for General Assembly and Conference Management through the Secretary of the Committee.
